Save
time

50 foils
per press

Custom
length
feature

The new 24*7 from Procare is the easiest and most reliable way to prepare your foils, simply choose your foil and fold preference from the keypad, select the number of foils to prepare (from 1 - 50) and press the start button.

The 24*7 then produces perfectly trimmed and folded foils to your specification, quickly, quietly and without fuss.

New foil lengths: (Approx)

6in | 9in | 12in | 14in
160mm | 230mm | 300mm | 350mm

Leaving you free to concentrate on more important things!
